603 Tailored bed skirt	5	4	5	5	5
604 Tailored bed skirt - quilted	6	5	6	6	6
605 Fitted box spring cover	5	4	5	5	5

## PILLOW SHAMS & THROW PILLOWS

All of Artistic Quilting's bedspreads and coverlets have a 25" pillow turn back as a standard feature, but pillow shams can add so much to the finished look. Bedspreads and coverlets can be ordered without the turn back if you specify, or a reverse pillow turn back can be substituted by adding the suffix -RP to the style number of the spread ordered.

Pillows are an essential part of bringing all the colors, patterns and textures of the room together. Artistic Quilting offers pillows with 100% polyester fiber, 25/75 down plus (a combination of down and fiber), 25/75 down and 50/50 down inserts.

Be sure to provide:

- Detailed product descriptions or style number. Special instructions and details.
- Full amount of fabric required. \*\*\*Yardage estimates below are for standard constructions. For Collage, Picture Frame, Bow, Sash and pillows that require multiple fabrics/trims – contact us with your details.
- Exact pillow size.
- Shams have overlapping backs; Pillows are hand closed. For an additional cost you can specify:
  - Zipper closure, placed along the bottom seam
  - Button closure, specify face or back
- Quilting, monogramming, smocked fronts, and sheared overlays are also available

<u>Sham Style#</u>	<u>Pillow Style#</u>	<u>Description</u>	<u>Estimated Yardage Per Pillow ***</u>

## NECKROLLS

Another great accent piece for the bed is the Neckroll. The standard Neckroll is 16” long with a 6” diameter, but you choose the size that fits your needs. Neckrolls come with 100% polyester fiber or 25/75 down plus (a combination of down and fiber) inserts.

Be sure to provide:

- Detailed product descriptions or style number.
- Special instructions and details such as flat ends or gathered ends.
- Full amount of fabric required. \*\*\*Yardage estimates below are for standard constructions.  
For Collage and Neckrolls that require multiple fabrics/trims – contact us with your details.
- Desired length and diameter.
- Add covered buttons or tassels to the ends if desired.

<u>Style#</u>	<u>Description</u>	<u>Yardage Required</u>
722	Roll with cinched ends	1
723	Welt or trim at ends	1.5
724	Welt and ruffle at ends	2
727	Collage body with welt at ends	***
728	Collage body with welt and ruffle at ends	***

## BOLSTERS

Great for turning that daybed into a studio sofa, or adding a contemporary flair to the head of a bed, bolsters should not be overlooked as a bedding accessory. The standard wedge is 8” deep at the base, 4” deep on top, and 12” tall. Cylinders are 8”, 9”, and 10” in diameter. For daybeds, two bolsters 37½” in length works great, but you choose the custom length that fits your needs.

Bolsters can be ordered with or without fillers. In addition to foam cores, 100% polyester fiber or 25/75 down plus (a combination of down and fiber) inserts are available. The covers can be quilted or unquilted and all come with zipper closures.

Be sure to provide:

- Detailed product descriptions or style number.
- Special instructions and details such as flat ends or gathered ends.
- Full amount of fabric required.
- Desired length and diameter
- Add covered buttons or tassels to the ends if desired
